THE TRIO COVER

BRILLIANT, NATURAL, ABSOLUTE, ALLURE, COASTAL, SHIMMER CRUSH, VINTAGE FLORA, WHAT A CROC, CRYSTAL CREAM, ILLUSION, COTTON CANDY, OPIUM, AND HORNBACK ITALIA

The Trio features our finest leathers and is built in a 3-piece structure. The exterior soft spine allows for a large range of sizes and spreads. There are over 75 leathers to choose from!

This structure also allows you to mix-and-match a few of the material options. Try a Canvas cover with a Brilliant or Natural spine and back. Pair Briliants with Briliants, Naturals with Naturals, and a few more of our recommended cover combinations.

Options include padded or non-padded covers, embossing, gilding, thin or thick pages, or square or round corners. Blind Embossing does not show well on these leathers. We recommend picking a color to emboss with.

THE CAMEO COVER

BRI LLIANT AND NATURAL

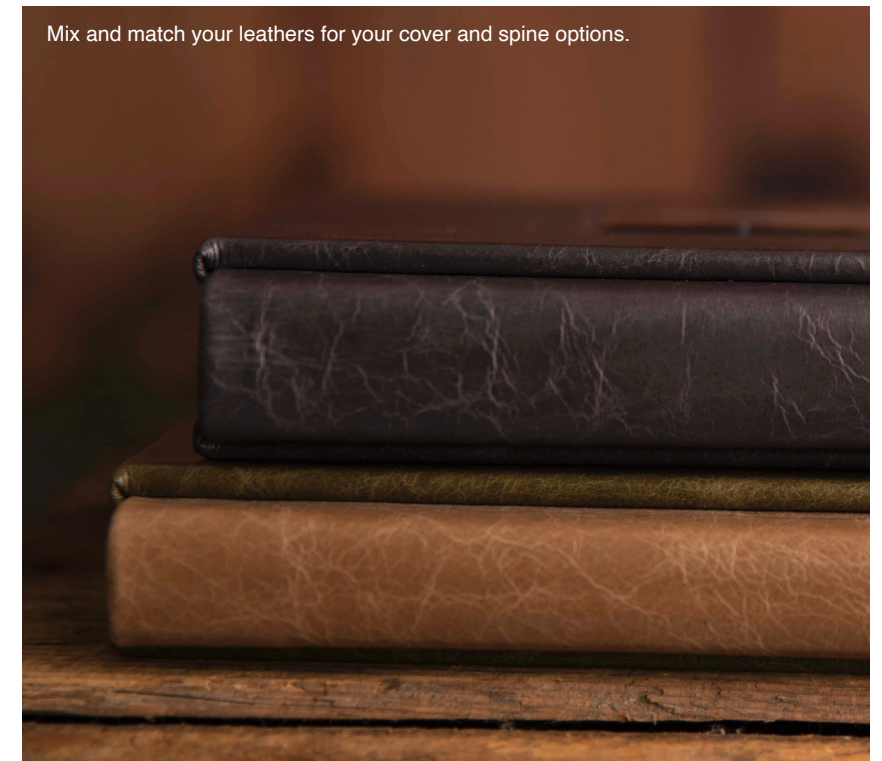

Cameos begin with an image on a White Base Metal. Add on a clear, protective resin “dome” over the image, creating a slightly magnified look. To finish the cover, each image is laid into a custom cut insert, creating a beautiful finished look on a 3-piece structure album.
